PAGE 8: CRITERIA FOR HARDSHIP GRANTS

The British Gymnastics Foundation is very proud to be able to offer a Hardship Grants programme, which aims to alleviate significant financial hardship in order to support British Gymnastics members to continue their participation in gymnastics. Current individual members can apply for Hardship funding including gymnasts, coaches and volunteers, with no preference given to those on performance pathways. The amount of grant awarded is assessed on a case by case basis and will not normally exceed £500. Please see notes for application below for more details

IMPORTANT

All applications for hardship grants **MUST** be made using the online system. If any applicant cannot access the online application system, please contact us by using the 'Contact us' form on the top of the application home page.

Criteria for Hardship Grants

1 Aim of BGF Hardship Grants

- 1.1 To alleviate significant financial hardship (see definition below);
- 1.2 The Trustees of BGF may, at their discretion, also award funding for non-financial hardship.

2 BGF's definition of significant financial hardship

- 2.1 For the purpose of BGF's Hardship Grants scheme, BGF defines significant financial hardship as being a shortage of finances which has the effect of ending people's involvement in gymnastics or makes it unreasonably difficult for people to continue to be involved in gymnastics.

3 Who is eligible to apply for BGF Hardship grants?

- 3.1 Current members of British Gymnastics who are experiencing financial difficulty which is affecting their continued involvement in gymnastics (including gymnastics coaches, gymnasts, gymnastics volunteers, gymnastics administrators);
- 3.2 Current members of British Gymnastics who are in crisis.

4 Who is not eligible to apply for BGF Hardship grants?

- 4.1 Those who are deemed to be financially capable of/or have the means to fund their involvement in gymnastics (but see 1.2 above);
- 4.2 Any person who has made a false claim in the past;
- 4.3 Gymnasts in receipt of UK Sport Lottery funding;
- 4.4 BG staff members.

5 Other notes

- 5.1 Applicants must agree to BGF obtaining a statement in support of their application from one of the following:
 - 5.1.1 Head Coach (of the gym attended by the Applicant);
 - 5.1.2 Club Manager (of the gym attended by the Applicant).
 - 5.1.3 Club Welfare Officer (of the gym attended by the Applicant).
- 5.2 The Awards Panel may also ask BG staff members to verify Hardship Grant applications. However, BG staff cannot act as endorsers to applications for Hardship Funding.
- 5.3 Hardship Grants cannot be used to pay BG membership subscriptions.
- 5.4 Hardship grants cannot be awarded retrospectively.
- 5.5 Hardship grants can be awarded "in principle", subject to the applicant being selected for a particular event or competition.
- 5.6 Normally only one grant per person will be awarded in a 12-month period.
- 5.7 BGF reserves the right to recover grant monies which have not been spent on the costs for which they were intended.
- 5.8 BGF will normally only consider applications where the applicant has been participating at a club for more than 6 months
- 5.9 In case of injury (current/previous) which may have long-term effect on health, BGF will request a letter of medical fitness to participate
- 5.10 At the discretion of the Grants Panel, grants may be made to the applicant's club where there is evidence to suggest that the applicant has difficulty with money management
- 5.11 Applications will be rejected if the club waives the majority of the fees
- 5.12 Applications for grants for travel costs will be rejected if the panel feels that some travel costs are unnecessary

- 5.13 Grants will be subject to speaking to applicant's coach in cases where the gymnast's hours exceed the recommended maximum
- 5.14 Where applicants are at university and want to pay their own fees (rather than parents), need to provide evidence that parents are not/can not support them financially
- 5.15 BGF will normally only award 50% of the cost of coaching courses, subject to checking that there are no free places available via BG and subject to confirmation of course registration. If the applicant is the club's next "up and coming coach" then the club needs to support the cost of the coaching course
- 5.16 Where there are other Trusts operating in a club, applicants are asked to approach these first for support.
- 5.17 Clubs should be raising money or charging sufficient fees to the gymnasts to enable them to pay expenses to their coaches
- 5.18 Disneyland competitions are not funded
- 5.19 If an applicant is in receipt of a Sports Aid grant, then the Awards Panel accepts that the gymnast has performance potential, but this does not mean that the gymnast has financial hardship
- 5.20 If there is no response from the grant recipient by the date of the next Awards Panel meeting, then the recipient will be advised that their grant offer has been withdrawn
- 5.21 If a grant recipient fails to respond to a request for feedback, then a second application for a grant will not be considered
- 5.22 Whilst it is not a requirement for a club to contribute, club financial support may add more weight to an application
- 5.23 Receipts will be obtained from a sample of grant recipients. If receipts are not submitted when requested, then future applications from the same applicant will not be considered
- 5.24 If the Head Coach, Club Manager or Club Welfare Officer is a family member, then an endorsement from another senior staff member at the club will be accepted
- 5.25 Any queries regarding eligibility and other matters should be addressed to the Head of BGF at British Gymnastics Foundation, Lilleshall National Sports Centre, Newport TF10 9AT.
